Nature Hunt at the Arboretum

<input type="checkbox"/> Evidence of a Deer	<input type="checkbox"/> A Berry or Seed	<input type="checkbox"/> A Bird House or Nest	<input type="checkbox"/> A Deciduous Tree (I lose my leaves in the winter)
<input type="checkbox"/> A Fuzzy Leaf	<input type="checkbox"/> A Conifer Tree I have needle-like leaves	<input type="checkbox"/> A Tree Label- Find a leaf from the tree and share what kind it is with your adult.	<input type="checkbox"/> A Fungus AmongUs
<input type="checkbox"/> A Tree that has a Smooth Bark Texture	<input type="checkbox"/> An Insect	<input type="checkbox"/> Something that Feels Cold	<input type="checkbox"/> A Bird Song (try to sing it back to the bird!)
<input type="checkbox"/> A Squirrel	<input type="checkbox"/> Something that Feels Warm	<input type="checkbox"/> Evidence of Humans (please pick it up if it is trash!)	<input type="checkbox"/> Something that Smells Sweet (yes, you may find even in winter)

This activity was created for you by the Blandy Education & Science Engagement Programs

*Greetings from the State Arboretum
of Virginia!*

Welcome to the State Arboretum of Virginia! What's an arboretum, you ask? An arboretum is like an outdoor museum for trees and other plants. Here at the Arboretum, we have trees, shrubs, and flowers from all over the world. That means we have a lot of animal habitats and interesting nature here! Open this letter to find a scavenger hunt, and take a journey around our arboretum to find all of these interesting nature items. Use a marker to check off the parts of nature you find. The map of Blandy will help you choose one (or several!) locations for your nature search.

*Happy Nature Hunting!
The Staff at the Arboretum*

**Bathrooms
are located
at Peetwood
Pavilion**
