## Ginkgo Grove Tree Sponsorship Program

The Foundation of the State Arboretum is offering an opportunity for the community to sponsor a ginkgo tree in the renowned Ginkgo Grove at Blandy Experimental Farm. Here are the steps:

1. The sponsor selects a ginkgo tree within the grove. With the help of staff or volunteers, the tree number is noted.
2. The sponsor completes the paper work and contributes \$100 to secure the sponsorship.
3. A temporary tree tag with the sponsor's name will be attached to the tree, until a permanent tree tag is created.

4. The sponsorship remains in place for 5 years.
5. Sponsors can visit the online database, enter the tree number and find their tree within the grove.
