Gingko Grove Tree Sponsorship Program

The Foundation of the State Arboretum is offering an opportunity for the community to sponsor a gingko tree in the renowned Gingko Grove at Blandy Experimental Farm. Here are the steps:

1. **The sponsor selects a gingko tree within the grove. With the help of staff or volunteers, the tree number is noted.**
2. **The sponsor completes the paperwork and contributes $100 to secure the sponsorship.**
3. **A temporary tree tag with the sponsor's name will be attached to the tree, until a permanent tree tag is created.**
